Partner Abbey Barrera has been named one of the Top 40 Under 40 Lawyers for 2025 by the Daily Journal [PDF]. Abbey focuses on litigation involving privacy, emerging digital technologies, and evolving legal frameworks. This includes cases involving unsettled legal questions surrounding new technologies that are being debated in courtrooms nationwide.

“I’ve had to litigate many issues for which there was either no legal authority or conflicting legal authority,” Abbey said. “This requires out-of-the-box thinking and turning to first principles.”
