GIBSON DUNN

Gibson Dunn Advised EQT on Mews Systems B.V. Investment

Firm News | January 30, 2026

Gibson Dunn advised global investor EQT on its investment in Mews Systems B.V., a leading hospitality technology company.

EQT acted as lead investor in Mews' $300 million Series D financing round, alongside existing investors. The transaction valued Mews at $2.5 billion.

Our corporate team was led by partner Wim De Vlieger and included partner Jakob Egle and associates Andreas Rief and Vladimir Konchakov. Additional support was provided by partner Joel Harrison and associates Chris Puttock and Ioana Burtea (IP/IT); partner Michelle Kirschner (financial regulatory matters); partners Christian Riis-Madsen and Kristen Limarzi and associate Jonas Jousma (antitrust/competition matters); partner Melissa Farrar and associate Victor Tong (anti-bribery and corruption); associates Irene Polieri and Zach Kosbie (sanctions); and partner Ben Rapp and associate Daniel Reich (tax).
