GIBSON DUNN

# Gibson Dunn Recognized in the 2024 Chambers Crisis & Risk Management Guide

Accolades | June 25, 2024

Chambers Crisis & Risk Management

---

Gibson Dunn was recognized in the 2024 edition of the Chambers Crisis & Risk Management guide. The firm was ranked in the Global-wide: Environmental, Social & Governance Risk category and in the United States: Crisis Management category. Partners Susy Bullock was recognized for her work in the Global-wide Environmental, Social & Governance Risk category and Debra Wong Yang was recognized for her work in US Nationwide Crisis Management. The guide was published on June 25, 2024. Gibson Dunn's Crisis Management practice is renowned for taking immediate action to manage any situation, executing a strategic communication plan and guiding clients through difficult events. The Crisis Management group's experience extends to all manner of issues that can arise in a corporate crisis situation, including: criminal law and complex civil litigation; securities and corporate governance; antitrust; environmental regulation; banking, currency and accounting; international trade; employment disputes; energy; U.S. homeland security, immigration and border issues; and U.S. election law and ballot measures. Gibson Dunn's ESG practice provides holistic and sophisticated advice to clients on their corporate responsibility and environmental, social and governance risks and opportunities. Our ESG practice offers bespoke training, educational awareness sessions and practical workshops for senior executives and directors on a range of topics supporting the ESG objectives of our clients and offering insights on best practice and ESG-related developments including in relation to investigations and enforcement trends, compliance and strategies, and whistleblowing.
