Gibson Dunn Lawyers Author Article on SEC Crypto Guidance for Coindesk

Article | March 30, 2026

Coindesk

The article “The SEC’s Latest Crypto Guidance Still Leaves Too Much Unsaid” by partners Nick Harper, Matt Gregory, and Jason Mendro and associate Christian Talley has been published by *Coindesk*. They write that recent joint guidance by the U.S. Securities and Exchange Commission and Commodity Futures Trading Commission “stops short of the full course correction the crypto industry needs.”
