R. Scott Roe

Of Counsel

sroe@gibsondunn.com
T: +1 212.351.2618
New York

Scott Roe is of counsel in the New York office of Gibson, Dunn & Crutcher and a member of Gibson Dunn's Intellectual Property Practice Group, specializing in patent litigation with an emphasis in the mechanical, electrical and computer arts.

Recognized for his work in Intellectual Property Litigation by *Best Lawyers: Ones to Watch® in America* (2021-2025) and *Super Lawyers*® as a “Rising Star”(2014-2020), Scott has litigated patent cases in diverse technical areas, including computer hardware and software, mobile telecommunications, cable video, data and voice services, pharmaceutical and medical devices, automotive hybrid technology and other automotive devices, for clients that include AT&T Mobility, Cablevision, Foot Locker, Ricoh/Pentax, Roamware, Sanofi-Aventis, Sharp, Shazam, and national mobile phone carrier. He has played a leading role in a broad range of litigation matters, in both the United States District Courts and at the International Trade Commission.

Prior to obtaining his Juris Doctor from Boston University Law School, Scott received his Bachelor of Science degree in Mechanical Engineering from Bucknell University, where he graduated second in his class in the College of Engineering.

Scott is a member of the State Bars of New York and Connecticut. He is also admitted to practice in the courts of the United States District Court for the Southern District of New York, the United States District Court for the Eastern District of Texas and the United States Court of Appeals for the Federal Circuit. He is registered to practice before the United States Patent and Trademark Office.
