Michael Holecek and Tim Kolesk Write About Commercial Mass Arbitration for Dow Jones Risk Journal

Article | September 21, 2026

Partner Michael Holecek and associate Tim Kolesk authored the Dow Jones Risk Journal's "Mass Arbitration Grows Up: The Playbook Expands to Commercial Contracts," which details the history of mass arbitration and how it is now being used in business-to-business cases. They warn that companies "in sectors facing active regulatory enforcement — technology, healthcare, financial services, energy — should assess their commercial arbitration provisions before a campaign launches" and provide tips for companies to get ahead of the next wave of commercial mass arbitration filings.
