Accolades | May 24, 2024

Who’s Who Legal

---

Four Gibson Dunn partners were featured by *Who’s Who Legal* in its 2024 Project Finance guide. Tomer Pinkusiewicz, Nicholas Politan, Brad Roach and Ben Shorten were recommended. The guide was published on May 24, 2024.

Gibson Dunn maintains a leading Infrastructure Practice Group, with experience across multiple jurisdictions and an in-depth knowledge of the industrial, commercial, financial, risk management and political issues that are inherent in the procurement, development, financing, construction, operation, acquisition and disposition of major domestic and international projects and infrastructure facilities. The group has been widely recognized among the top project finance and public-private partnership (PPP) practices worldwide and has particular experience in acquisitions and dispositions of projects and infrastructure assets, in addition to procurement, development and financing of the same.
