

Allyson Ho, Brad Hubbard, and Elizabeth Kiernan Author The Texas Lawbook's Article on Texas Supreme Court Data for 2025–2026 Term

In the Media | [September 9, 2026](#)

The Texas Lawbook

Partners Allyson Ho and Brad Hubbard and associate Elizabeth Kiernan authored [The Texas Lawbook's](#) "SCOTX 2025–2026 Term by the Numbers: Petitioners Dominate as Reversal Rate Exceeds 75 Percent."

They note: "The odds continue to favor the petitioner once the Court grants review and sets argument. The Court affirmed 24.2 percent and reversed 75.8 percent of the cases in which the Court heard argument and issued a decision, pushing the affirmance rate down 3.5 percentage points from last term's 27.7 percent."

Of counsel Benjamin Wilson and associates Stephen Hammer and Arjun Ogale contributed to the article.
