

Ashlie Beringer Named Among Silicon Valley Women of Influence

Accolades | June 21, 2021

Silicon Valley Business Journal

The *Silicon Valley Business Journal* named Palo Alto partner S. Ashlie Beringer to its 2021 Women of Influence list, which features “the 100 most influential women in the Silicon Valley.” The profile was published on June 17, 2021.

S. Ashlie Beringer has more than two decades of experience representing media and technology companies in periods of transformation and crisis. Her practice focuses on defending technology companies in global regulatory and litigation matters and advising on product, business and compliance strategies, particularly on issues related to disruptive technologies, data management, privacy and security.
