Why Gibson Dunn? Why London? Why M&A and private equity? Associate Magdalena Augé shares with ICAEW's Corporate Financier magazine the reasons she chose to join Gibson Dunn's London transactional team as the next step in her career.

"Gibson Dunn really appealed as its transactional team was expanding. In 2022, they had just hired new partners, and I was excited by the idea of being part of that growth," Magdalena said, adding: "The firm puts an emphasis on making sure new recruits truly fit with its culture of cooperation, collaboration, and openness – this weighed heavily when making my decision."
