Gibson Dunn Chair and Managing Partner Barbara Becker reflected on the firm's continued growth in an interview with [The American Lawyer](#) [PDF]. The publication noted rising demand across practice areas, industry groups, and geographies.

"Last year we celebrated our 135th anniversary as a firm, and it took us 121 years to reach \$1 billion in revenue," Barbara said. "Then it took nine years to reach \$2 billion, four years to reach \$3 billion, and two years to reach \$4 billion, so that momentum in and of itself is pretty awesome."
