Benchmark Litigation Names Andrea Smith US Environmental Litigator of the Year 2024

Accolades | March 14, 2024

Benchmark Litigation

Benchmark Litigation named New York partner Andrea Smith as Environmental - Litigator of the Year at its 15th annual US awards ceremony, recognizing “the country's most distinguished litigators and their firms for their work over the past 12 months.” The awards ceremony took place on March 13, 2024. Andrea Smith, Co-Chair of Gibson Dunn’s Transnational Litigation Practice Group, is a high-stakes trial lawyer whose victories include billion dollar matters in both international and domestic forums. Her international work spans Central, South and North America at both the trial and appellate levels, and domestically, she represents clients in an array of industries nationwide, including oil and gas, food and agriculture, aerospace, technology, accounting, real estate and financial services.
