Accolades | March 25, 2022

Benchmark Litigation

Benchmark Litigation named Gibson Dunn as the “East Coast Appellate Firm of the Year” at its 2022 East Coast Awards. Additionally, Benchmark named *Epic v. Apple* as an Impact Case. The awards were presented on March 24, 2022. Gibson Dunn’s Appellate and Constitutional Law Practice Group is one of the largest and most experienced appellate practices in the nation. Each year, we present arguments in the Supreme Court of the United States, federal courts of appeals, and state appellate courts throughout the country. We work closely with trial teams to preserve arguments and develop a winning litigation strategy. When the occasion calls for it, we also develop novel or complex legal theories, sometimes long before the suit is filed. No firm has a stronger record of appellate success.
