Blake Estes Featured in Financial Times/Ignites Article “SEC Puts Single-Stock ETFs, Private Credit Funds on Exams List”

In the Media | October 26, 2026

Financial Times / Ignites

Partner Blake Estes was featured in the Financial Times/Ignites (subscription required) article “SEC Puts Single-Stock ETFs, Private Credit Funds on Exams List.” He noted that recent redemption requests at some private credit funds have exceeded the limits on how much investors can withdraw at once and have subsequently grabbed the U.S. Securities and Exchange Commission's attention.
