CoinLaw Writes About Josh Krevitt and Stuart Rosenberg's Win for Uniswap Labs

In the Media | February 11, 2026

CoinLaw

CoinLaw has written about Josh Krevitt and Stuart Rosenberg securing the dismissal of Bancor affiliated entities' patent claims against Uniswap. A federal judge ruled that the patents covered abstract ideas and were not eligible under U.S. patent law. *CoinLaw* noted that the ruling is "more than just a courtroom win for Uniswap. It sends a strong message that fundamental DeFi mechanisms cannot easily be locked behind patent walls."
