Colin Davis Quoted in Bloomberg Law's "Texas Sees Growing Benefit From Corporate Push to Ditch Delaware"

In the Media | September 9, 2026

Partner Colin Davis is quoted in Bloomberg Law's (subscription required) "Texas Sees Growing Benefit From Corporate Push to Ditch Delaware." He noted that both Texas and Nevada have capitalized on companies' desire to reduce exposure to frivolous litigation and make outcomes more predictable: "If you can stop litigation from even being filed in the first place, you can avoid that time and distraction."
