

David Woodcock Speaks About Texas Business Court and Future of Corporate Governance

[Publications](#) | February 6, 2025

Journal of Law & Civil Governance at Texas A&M

Partner David Woodcock delivered opening remarks at a symposium hosted by the Texas A&M University School of Law, on the topic of the Texas Business Court and the future of corporate governance.

In his remarks, covered by the [Journal of Law & Civil Governance at Texas A&M](#), David discussed the latest developments in Texas's corporate regulatory environment and how the creation of the Texas Business Court could further enhance the state's appeal to business and innovation.
