

Duncan K. R. McKay Discusses Fund Finance & Structured Capital Landscape with Structured Credit Investor

In the Media | December 5, 2025

Structured Credit Investor

Partner and Head of Fund Finance Duncan K. R. McKay was interviewed by [Structured Credit Investor](#) (registration required) about his reasons for joining Gibson Dunn, the evolution of the fund finance and structured capital landscape, and why our Firm is particularly poised to lead in the field. “At Gibson Dunn, my focus is on delivering the highest level of expertise and client service to our asset management, sponsor and direct lender clients, and on building the practice in a way that reflects the evolution of the fund finance industry itself: into a cross-disciplinary, dynamic, global offering that can support clients in their most important and sophisticated transaction - whether that be in the U.S., Europe, Asia or the Middle East,” Duncan said. “Gibson Dunn is exceptionally well-positioned to lead in this next phase of the market’s evolution...Gibson Dunn’s platform positions us to guide clients through both the emerging opportunities and the heightened complexity that accompanies them.”
