Gibson Dunn partners Brian Ascher, Theodore Boutrous, Sarah Graham, Kevin Masuda, Benjamin Ross, Ilissa Samplin, Orin Snyder, and Steve Tsoneff have been recognized in Variety's Legal Impact Report 2025 as being among Hollywood's top entertainment lawyers — lawyers who, while “dealing with progressively more jarring cycles of disruption,” still “keep working on behalf of their clients.”

The Variety report describes some of the deals our entertainment lawyers are involved in, the clients they are representing, the disputes they're helping to resolve, and the impact they're having across the industry.
