

Eleven Gibson Dunn Attorneys Named in 2023 Lawdragon 500 Leading U.S. Energy Lawyers

Accolades | March 17, 2023

Lawdragon

Eleven Gibson Dunn attorneys were named among *Lawdragon's* 2023 500 Leading U.S. Energy Lawyers. This list recognizes “outstanding elite” attorneys who “apply their knowledge to help old-school and new energy companies finance and build new power sources throughout the world.” Dallas partners Doug Rayburn and David Woodcock, Denver partners Jerry Farano and Robyn Zolman, Houston partners Michael P. Darden, Hillary Holmes, Cynthia Mabry, Michael Piazza and Gerry Spedale, New York partner Nicholas Politan, and Washington, D.C. partner William Hollaway were recognized. The list was published on March 17, 2023.
