

Four Gibson Dunn Lawyers Author U.K. Chapter of Chambers Energy & Infrastructure M&A Global Practice Guide

Article | November 20, 2025

Partners Federico Fruhbeck, Alice Brogi, and Alex Bluett and associate Gisele Zoueïn are the authors of the U.K. chapter of the latest edition of the [Chambers Energy & Infrastructure M&A Global Practice Guide](#). The guide provides the latest legal information on trends in energy and infrastructure M&A markets around the world; procedures for establishing, acquiring, and selling energy and infrastructure companies; and regulatory requirements affecting transactions in the sector, including labor rights issues, foreign investment restrictions, disclosure, due diligence, and directors' duties.
