GIBSON DUNN

Gibson Dunn Advised Blue Owl Digital Infrastructure Advisors on the Formation of Blue Owl Digital Infrastructure Fund III

Firm News | May 15, 2025

Gibson Dunn advised Blue Owl Digital Infrastructure Advisors, a subsidiary of Blue Owl Capital Inc., a New York Stock Exchange-listed global alternative asset manager (NYSE: OWL), on the formation of Blue Owl Digital Infrastructure Fund III, a fund focused on data centers and other technology and connectivity-related real assets. The fund closed at its hard cap of $7 billion of aggregate capital commitments.

Our investment funds team was led by Shukie Grossman, Global Chair of our Investment Funds Practice Group, and included partner Kira Idoko, of counsel Robert Harrington, and associates Alex Chang, Kevin Chapman, Rachel Spinka, and Jeff Xu. Partner Brian Kniesly and associates Jennifer Fitzgerald and Duncan Hamilton advised on tax aspects, and partner Michael Collins advised on benefits.
