GIBSON DUNN

Gibson Dunn Advised Blueflame AI on Its Sale to Datasite

Firm News | July 23, 2025

Gibson Dunn advised Blueflame AI, a leading provider of agentic AI solutions for investment and financial services, on its sale to Datasite, the global SaaS provider of AI-powered workflow collaboration and automation solutions for M&A, investment, and strategic projects. Our corporate team was led by partner Stefan dePozsgay and included associates Mark Goldman, Jonathan Lee, Sam Shapiro, and Kira Dennis. Partner Pamela Lawrence Endreny and associate Betsy Johnson advised on tax; partners Kate Napalkova and James Cox, and associate Akiva Reich advised on benefits; partner Stephenie Gosnell Handler and associate Chris Mullen advised on international trade; partner Meghan Hungate and associate Courtney Wang advised on IP; and counsel Andrew Cline advised on antitrust.
