

Gibson Dunn Advised KKR in Acquisition of Minority Stake in ADNOC Gas Pipeline Assets

Firm News | October 2, 2025

Gibson Dunn advised leading global investment firm KKR in its acquisition of a minority stake in Abu Dhabi National Oil Company (ADNOC) Gas Pipeline Assets LLC.

The transaction follows KKR and ADNOC's landmark 2019 oil pipeline deal, a first for the region that continues to serve as a template for further transactions across the Middle East. The strategic partnership with ADNOC highlights KKR's commitment to the broader Middle East, expanding on KKR's 16-year local presence and its investments in key sectors that support regional growth. Gibson Dunn also recently advised KKR on its investment in Gulf Data Hub, a leading data center platform in the UAE and Saudi Arabia.
