GIBSON DUNN

Gibson Dunn Advised KKR on its Growth Investment in Premialab

Firm News | December 16, 2025

Gibson Dunn advised KKR on its growth investment in Premialab, an independent data and risk analytics platform used by institutional investors looking to monitor, manage, and diversify their global portfolios.

Our corporate team was led by partners Wim De Vlieger and Isabel Berger and included associates Omar Morsy, Willem van Hootegem, and Mostafa Mabrouk.
