GIBSON DUNN

# Gibson Dunn Advised OceanSound Partners on Strategic Investment in Iris Technology

Firm News | October 28, 2026

---

Gibson Dunn advised OceanSound Partners on its strategic investment in Iris Technology Corporation, a provider of radiation-hardened, space-qualified TRL 9 electronics for mission-critical national security space payloads, as well as rugged power management solutions for tactical military radio applications.

The Gibson Dunn corporate team was led by partner John Pollack and of counsel Robert Banerjea and included associates Jay Pak, Mona Kalantar, Grace Feitshans, and Khalil Bryant. Partner Kathryn Kelly and associate David Horton advised on tax aspects. Partner Michael Collins advised on benefits. Partner Lindsay Paulin and associate Layla Reynolds advised on government contracts aspects. Partner Christopher Timura and associate Dharak Bhavsar advised on international trade aspects. Partners Attila Borsos and Claire Shepherd and associate Philipp Baschenhof advised on foreign direct investment aspects. Partners Bradley Smith and Michelle Gourley advised on antitrust aspects. Partner Meghan Hungate advised on IP aspects.
