GIBSON DUNN

Gibson Dunn Advises Appian Capital Advisory on Launch of $1 Billion Critical Minerals, Metals, and Mining Fund

Firm News | October 21, 2025

Gibson Dunn is advising Appian Capital Advisory, the investment advisor to long-term value-focused private capital funds that invest in companies in metals, mining, and adjacent industries, on its launch of a $1 billion critical minerals, metals, and mining fund for emerging markets in partnership with International Finance Corporation, a member of the World Bank Group.

Our investment funds team is led by New York partner Roger Singer, of counsel Jason Park, and associate Rachel Spinka. The team includes London partners James O'Donnell and Michelle Kirschner and of counsel Martin Coombes, along with Dubai of counsel Sameera Kimatrai and associate Krishna Parikh.
