

Gibson Dunn Advises Asia Partners on Final Close of Second Fund, Asia Partners II LP

Firm News | January 11, 2024

Gibson Dunn represented Asia Partners, a Singapore-based growth equity investment firm, on the final close of its second fund, Asia Partners II LP, at US\$474 million in commitments. Asia Partners is focused on the intersection of three key themes: (i) the long-term growth potential of Southeast Asia, (ii) the rapid growth of innovative technology and technology-enabled businesses in the region and (iii) the scarcity of growth equity capital for these companies, particularly in the US\$20 million to US\$100 million investment size range. The Gibson Dunn investment funds team was led by Singapore partner John Fadely and included Hong Kong of counsel Youjung Byon, Singapore associate Xuanyi Liu, Hong Kong associates Kathy Wen and Keira Su, and Singapore associate Zan Wong. Washington, D.C. partner Daniel Zygielbaum and New York associate Annie Lin advised on tax aspects.
