Gibson Dunn Advises Cold Chain Technologies on Acquisition of Tower Cold Chain

Firm News | October 24, 2024

Gibson Dunn advised Cold Chain Technologies, a portfolio company of long-standing client Aurora Capital Partners, on its acquisition of Tower Cold Chain, a global leader in passive reusable cold chain solutions for the pharmaceutical and life sciences industries. The deal expands Cold Chain Technologies' suite of temperature-controlled packaging solutions and geographic reach.

The Gibson Dunn team advising Cold Chain Technologies was led by partner Will Summers with associates Rosie Maguire and Alex Eldredge (Corporate); partner Ben Fryer and associate Cheryl Yip (Tax); and partner Kavita Davis and associate Abi Yussuf (Finance).
