

Gibson Dunn Advises Daikin Applied on Acquisition of DDC Solutions

Firm News | August 6, 2025

Gibson Dunn is advising Daikin Applied on its acquisition of DDC Solutions, a San Diego-based developer of ultra-high-density cooling cabinets and management software for data centers.

Our corporate team is led by partner Stephen Olson and associate Jonathan Sapp and includes associates Gerald Kimani, Caroline Bakewell, and Andrew Watson. Partner Michael Cannon and associate Yara Mansour are advising on tax; partner Gina Hancock and associate Kayoko Fong are advising on benefits; and counsel Andrew Cline is advising on antitrust.
