

Gibson Dunn Advises Dynamix Corporation in Its Business Combination with The Ether Machine

Firm News | July 21, 2025

Gibson Dunn is advising Dynamix Corporation, a special purpose acquisition company, in its business combination with The Ether Machine, Inc., a newly formed entity enabling public market investors to access Ethereum yield. The Ether Machine will go public with over \$1.5 billion in fully committed capital. Our team is led by partners Evan M. D'Amico and Gerry Spedale and includes partner Harrison Korn and associates Sam Harris, Allan Jeanjaquet, and Jason Ferrari. Partner Edward Wei and associate Doug Bresnick are advising on tax matters, and partner Jeffrey Steiner is advising on digital assets and financial regulatory matters.
