

Gibson Dunn Advises Faropoint on Industrial Value Fund IV, Targeting \$1 Billion in Capital Commitments

Firm News | June 25, 2025

Gibson Dunn is advising Faropoint, a tech-enabled, vertically integrated real estate investment manager specializing in U.S. urban logistics, on its flagship Industrial Value Fund IV, targeting \$1 billion in capital commitments.

Our investment funds team is led by partners Roger Singer and Kate Timmerman and includes associates Eimi Harris and Bethany Wang. Partner Daniel Zygielbaum, of counsel Kate Long, and associate Emily Leduc Gagné are advising on tax aspects. Of counsel Gregory Merz is advising on regulatory aspects.
