Gibson Dunn Advises Founders of Stem Distribution in Sale to Concord Music Group

Firm News | March 24, 2025

Gibson Dunn advised Stem Distribution founders Milana Rabkin Lewis and Kristin Graziani on the sale of Stem Distribution to Concord Music Group. Stem, a market-leading music distribution platform, will continue to be operated as a separate division within Concord Label Group, led by its existing CEO Milana Lewis and President Kristin Graziani. The Gibson Dunn corporate team was led by partner Sarah Graham and included partner Taylor Hathaway-Zepeda and associate Christopher Lee. Partner Sean Feller advised on benefits.
