Gibson Dunn Advises Igneo on Acquisition of Vault Digital, a 75 MW U.S. Wholesale Data Center Portfolio

Firm News | February 5, 2026

Gibson Dunn advised Igneo Infrastructure Partners, a global infrastructure investment manager with $23 billion in assets under management, on its acquisition of an approximately 75 MW, 750,000 sf portfolio of seven operational data centers across key U.S. markets from CVC DIF and Northleaf Capital Partners.

The Gibson Dunn corporate team was led by of counsel Robert Banerjea and included associate Stephen Huie. Partner Madalyn Miller, of counsel Ruben Almaraz, and associate Alejandra Castañeda advised on financing. Partner Jesse Shapiro and associate Mason Stringer advised on real estate matters. Partner Tory Lauterbach and associate Jess Rollinson advised on power supply arrangements. Partner Evan Gusler and associate Emily Risher Brooks advised on tax matters. Partner Michael Murphy advised on environmental matters. Partner Michael Collins advised on employment matters. Associate Nate Hancock advised on transitional services. Partner Bradley Smith advised on antitrust matters.
