

# Gibson Dunn Advises Mubadala Capital on Take-Private of CI Financial

Firm News | August 19, 2025

---

Gibson Dunn has advised Mubadala Capital with the hybrid preferred equity financing for its take-private of CI Financial Corp., one of North America's leading diversified asset and wealth management companies. The transaction has an implied enterprise value of approximately C\$12.1 billion and marks a significant milestone in Mubadala Capital's expansion into private wealth management.

Our New York corporate team was led by partner Michael Saliba and included associates James Sullivan, Lily Paulson Stephens, Melody Karmana, and Mackenzie Alpert.
