

Gibson Dunn 2024 Annual Report

Firm News | January 22, 2025

Our 2024 Annual Report provides an overview of the exceptional results we achieved during the year, the many successes we attained for our clients, and the awards and accolades we received. It recognizes our impressive new partners, shines a spotlight on several of our practice groups and offices, and shares our outstanding Pro Bono and Diversity efforts. It also pays fitting tribute to our late partner and friend — and legal giant — Ted Olson. You can read the 2024 Annual Report [here](#).
