GIBSON DUNN

Gibson Dunn Crosses $3B Revenue Mark in 2023 with Robust Growth in Litigation, Transactions, and Global Expansion

In the Media | March 19, 2024

The American Lawyer and The Global Legal Post

Gibson Dunn reached the $3 billion revenue milestone in 2023, marking its 28th consecutive year of growth, driven by strong performances in litigation, transactions, and regulatory work, with notable hires and global expansions, as reported by *The American Lawyer* and *The Global Legal Post*. Chair and Managing Partner Barbara Becker provides insights on key investments made in certain practice areas and expansion efforts.
