The Asset

A Gibson Dunn deal, the Changhua 4 project, was recognized at The Asset Triple A Sustainable Infrastructure Awards 2025 as the Renewable Energy Deal of the Year – Offshore Wind: Taiwan. Our firm represented Cathay Life in the financing of its $900 million acquisition of a 50% stake in the 583MW project — the largest ever investment by the local insurance sector in offshore wind development.

Led by partner Ben Shorten, our team included partner Jamie Thomas, of counsel Claude Jiang, and associates John Cheah and Jun An Chee.
