

Gibson Dunn Lawyers Author Article on SEC Crypto Guidance for Coindesk

Article | March 30, 2026

Coindesk

The article "[The SEC's Latest Crypto Guidance Still Leaves Too Much Unsaid](#)" by partners Nick Harper, Matt Gregory, and Jason Mendro and associate Christian Talley has been published by *Coindesk*. They write that recent joint guidance by the U.S. Securities and Exchange Commission and Commodity Futures Trading Commission "stops short of the full course correction the crypto industry needs."
