Lexology Panoramic

Partner Perlette Michèle Jura, of counsel Miguel Loza, Jr., and senior associate Maria L. Banda are the authors of the latest edition of Lexology Panoramic: Business & Human Rights 2025 (USA) guide. The chapter offers a comprehensive overview of the key statutory and voluntary frameworks governing business and human rights in the United States, including federal and state disclosure and due diligence regimes and accountability mechanisms, and maps out the fast-developing rules in this area. *Lexology Panoramic* is a leading cross-jurisdictional comparison tool on how laws and regulations across different sectors vary across jurisdictions.
