GIBSON DUNN

Gibson Dunn Named 2023 California Powerhouse by Law360

Accolades | August 21, 2023

Law360

Law360 named Gibson Dunn a 2023 California Powerhouse, one of six law firms that "are handling some of the biggest deals and most high-profile courtroom battles." *Law360* noted that the firm "remains a stalwart of the California legal landscape more than 130 years after its founding, continuing to rack up wins like fending off a trademark infringement suit against social media giant TikTok and defending its historic victory for Apple against plaintiff Epic Games." The profile was published on August 21, 2023.
