

Gibson Dunn Named 2024 California Powerhouse by Law360

Accolades | September 23, 2024

Law360

Law360 named Gibson Dunn a [2024 California Powerhouse](#), one of seven law firms whose “work covered industries and legal issues stretching from Hollywood to Silicon Valley” and represented “clients in deals and cases that captured national attention.” The publication noted that the firm has “helped clients lock in precedent-setting wins before the U.S. Supreme Court over the past year while guiding big-ticket real estate and life sciences transactions.” The profile was published on September 23, 2024.
