Gibson Dunn Named a 2023 Firm of the Year

Accolades | January 22, 2024

Law360

Law360 named Gibson Dunn a Firm of the Year for 2023, featuring the law firms that received the most Practice Group of the Year awards. Law360 noted that its Firms of the Year are honored for "steering some of the largest deals of 2023 and securing high-profile litigation wins, including at the U.S. Supreme Court." The firm was named a Practice Group of the Year in the following categories:

- **Appellate** – Gibson Dunn's Appellate and Constitutional Law Practice Group's lawyers present arguments in the Supreme Court of the United States, all 13 federal courts of appeals, and state appellate courts throughout the country. Gibson Dunn lawyers have argued more than 160 cases before the Supreme Court, with 13 current attorneys having argued at the Court.
- **Competition** – Gibson Dunn's Antitrust and Competition Practice Group handles leading-edge competition matters on U.S. and international competition issues. With over 150 lawyers located throughout the U.S., Europe and Asia, our antitrust team includes former high-ranking officials from the U.S. Department of Justice, the U.S. Federal Trade Commission, the U.S. Solicitor General's Office and the European Commission, as well as Fellows of the American College of Trial Lawyers.
- **Employment** – Gibson Dunn's Labor and Employment Practice Group covers a complete range of matters, and we are known for our unsurpassed ability to help the world's preeminent companies tackle their most challenging labor and employment matters. Our practice covers the full range of labor and employment matters, including: wage and hour class actions; employment discrimination class actions; whistleblower litigation; non-compete agreements and trade secrets; appeals, post-trial briefings and litigation management; labor-management relations; ERISA and employee benefits; and occupational safety and health issues.
- **Energy** – Our Energy Practice Group has a wide array of experience across all parts of the energy sector – from traditional sources of energy such as oil and gas and electric utilities to renewable forms such as solar and wind. The firm has handled energy-related matters involving numerous practice areas, including mergers, acquisitions and divestitures; debt and project finance; capital markets; joint ventures; fund formation; project and infrastructure development; dispute resolution; commercial arrangements; and all manners of energy-related regulatory and antitrust issues.
- **Intellectual Property** – The Intellectual Property Practice Group's lawyers offer strategic insights and solutions to companies facing complex intellectual property issues. We understand that such issues must be considered in the context of larger business needs and interests. We partner with our clients to develop strategies that effectively and efficiently advance and protect their interests. We have deep capabilities across all categories of IP litigation and transactional matters.
- **International Arbitration** – The International Arbitration Practice Group advises leading multinational corporations in arbitration proceedings around the world. We regularly assist clients in litigation involving arbitration issues and have represented clients in national court proceedings under the Hong Kong Arbitration Ordinance, the U.S. Federal Arbitration Act, the English Arbitration Act and the New York Convention. The International Arbitration group's lawyers have appeared before many of the world's leading arbitrators and work with all major arbitral institutions and rules.
- **Securities** – The Securities Litigation Practice Group offers integrated solutions to corporations in times of unexpected crisis. The Securities Litigation group offers solutions to the overlapping array of challenges involved in cases ranging from headline-grabbing corporate takeover battles to major financial restatement cases, SEC insider-trading probes or government enforcement actions. Our team of experienced litigation lawyers provide integrated solutions for crisis-related events.
