

Gibson Dunn Named Among 2025 Litigation Powerhouses by BTI Consulting Group

Accolades | October 18, 2024

BTI Consulting Group

BTI Consulting Group recognized Gibson Dunn as a 2025 Litigation Powerhouse in Class Actions, Complex Commercial Litigation, and Securities and Finance Litigation. The publication noted that Litigation Powerhouses are selected by “top legal decision makers [that] identify the firms best suited to meet their most pressing litigation needs.” Additionally, the firm was recognized as a Litigation Leader in Commercial Litigation, Complex Employment Litigation, and Product Liability Litigation. The BTI Litigation Outlook 2025 report was released in October 2024.
