GIBSON DUNN

Gibson Dunn Named Digital Infrastructure Team of the Year at the Tech Capital APAC Awards

Accolades | November 20, 2024

Tech Capital APAC

Gibson Dunn has been named the Digital Infrastructure Team of the Year at the 2024 edition of the Tech Capital APAC Awards. The award covers all advisory functions, including legal, consulting and financial advisers, and recognises the team that has most excelled in driving progress and achieving outstanding results in the digital infrastructure field. The award was announced at the ceremony in Jakarta on November 20, 2024.
