GIBSON DUNN

Gibson Dunn Named Law Firm of the Year at the Regulation Asia Awards for Excellence 2022

Accolades | November 22, 2022

Regulation Asia

Regulation Asia has named Gibson Dunn as the Law Firm of the Year at the Regulation Asia Awards for Excellence 2022. The awards recognize institutions and companies in the financial services sector which ensure that the highest compliance standards are upheld in the regulatory landscape. The awards were presented on November 22, 2022 in Singapore. Gibson Dunn's Global Financial Regulatory Group is a trusted adviser on all aspects of financial regulation, acting on the most complex advisory mandates, investigations and enforcement actions. Our clients are leading global financial institutions, comprising banks, financial holding companies, insurance companies, broker-dealers, investment advisers, asset managers, private fund managers, payment service providers and e-money businesses, as well as businesses spanning the fintech ecosystem, including digital assets firms. Our regulatory lawyers are based in all of the world's leading financial centers, including Hong Kong, Singapore, London and New York.
