

Gibson Dunn Partners Discuss Securities Law Issues Surrounding Reverse Merger Transactions in DealLawyers.com Podcast

In the Media | May 6, 2025

DealLawyers.com

Gibson Dunn partners Branden Berns, James Moloney, and Ryan Murr discussed current securities law issues surrounding reverse merger transactions in a recent *DealLawyers.com* podcast. The topics covered range from the rationale for reverse mergers, to how changes in rules and interpretations have influenced the structure of reverse mergers, to key considerations for parties considering reverse mergers, and much more. Listen to the podcast here:
