Gibson Dunn's pro bono practice is ranked among the top in *The American Lawyer's* 2025 Pro Bono Report, at #9 nationally (up eleven spots from 2024) and #10 internationally (up two spots from 2024) — and it is the only firm in the Top 10 both in *The American Lawyer's* Pro Bono rankings and in *AmLaw's* ranking of firms by revenue.

AmLaw's pro bono rankings are based on a score that weighs equally the average number of pro bono hours per lawyer in 2024 and the percentage of lawyers who performed more than 20 hours of pro bono work in 2024.

As part of a feature highlighting some of the legal industry's best pro bono efforts, the *AmLaw* report included our firm's work on launching the Campus Antisemitism Legal Line (CALL), a free legal helpline intended to protect students and professors facing antisemitic hate, violence, and discrimination on college campuses. Gibson Dunn invested more than 3,000 hours in this effort last year.

Over the past decade, our lawyers have dedicated over 1.4 million hours valued at more than \$1 billion to pro bono work across the U.S. and around the world — over 206,000 hours in 2024 alone. Commenting on the growth of our Pro Bono Practice and the meteoric rise in our *AmLaw* Pro Bono rankings, partner Katie Marquart, Pro Bono Chair, said: "We are so proud of the incredible growth that the firm's Pro Bono Practice has experienced over the past several years, and which we expect to continue in the future."
