GIBSON DUNN

Gibson Dunn Ranked Among the 2022 World's Top Data Practices by GDR

Accolades | December 16, 2021

Global Data Review

Gibson Dunn was ranked in the 2022 edition of Global Data Review's GDR 100 Elite, a list of the world's top 25 data practices. The report noted that "Gibson Dunn & Crutcher stands on the forefront of the development of cyber law." The report also stated, "The firm works for the highest-profile clients on some of the biggest-ticket matters imaginable." The GDR 100 was published on December 10, 2021. Gibson Dunn's Privacy, Cybersecurity and Data Innovation Practice Group has a demonstrated history of helping companies successfully navigate the complex and rapidly evolving laws, regulations, and industry best practices relating to privacy, cybersecurity and data innovation. Our global and interdisciplinary team advises clients across a broad range of industries in high-stakes matters on the full spectrum of issues in these areas.
