

Gibson Dunn Ranked Among the 2023 World's Top Data Practices by GDR

Accolades | December 15, 2022

Global Data Review

Gibson Dunn was ranked No. 2 in the 2023 edition of *Global Data Review's* GDR 100 Global Elite, a list of the world's top 25 data practices. The firm was also ranked No. 1 in the Investigations category and No. 2 in the Litigation category. The report noted that the firm's work puts it "at the forefront of the development of data privacy and cybersecurity law around the world." The report also stated, "The firm works for the biggest clients on truly business-critical issues – it speaks volumes." The GDR 100 was published on December 15, 2022. Gibson Dunn's Privacy, Cybersecurity and Data Innovation Practice Group has a demonstrated history of helping companies successfully navigate the complex and rapidly evolving laws, regulations, and industry best practices relating to privacy, cybersecurity and data innovation. Our global and interdisciplinary team advises clients across a broad range of industries in high-stakes matters on the full spectrum of issues in these areas.
